

SCARBOROUGH INN

AN 1895 BED & BREAKFAST

An Intimate
European-style Inn
by the Sea
Ocean City, New Jersey

*W*elcome to the Scarborough Inn, an Ocean City landmark since 1895. Invitingly adorned in Wedgwood blue, warm rose and soft cream, the Inn lends its special character to its seaside neighborhood. The Scarborough Inn affords you a vacation residence reminiscent of an old-fashioned, European-style inn - small enough to feel intimate, yet large enough to provide comfort and privacy.

The Scarborough Inn's convenient location in the center of the historic district places you within easy walking distance of Ocean City's eight miles of pristine beach and famous boardwalk. Also nearby, you'll discover fine restaurants, appealing shops and a myriad of recreational, historical and cultural activities.

Each morning, awake to the aroma of freshly brewed coffee and a breakfast featuring seasonal fruit before beginning your day in Ocean City and environs.
